PROJECT DESCRIPTION

New high school classroom building, including 14 classrooms, 2 labs, 6 offices, in addition to other staff work spaces. The site will also include 120 new parking spaces. Two interim housing portables and restrooms installed Fall 2017. This project is in support of the Board designation of Madison as 6-12 programs to support a full high school program as an addition to the existing middle school campus.

CONSTRUCTION UPDATE

- Limited construction recommenced on 4/13, specifically on the fire alarm panel.
- Each week since, more work restarted as Vertex evaluates their safety protocols and as each tradesman secures their personal protection equipment.
- To date, work has recommenced on: 1) site work, including concrete pavement, installation of site accessories and landscaping, 2) elevator shaft, 3) Building painting, 4) Interior work such as installation of suspended ceiling, toilet partitions and marker boards, and 5) electrical work.
- This week, we anticipate installation of flooring and casework to restart
- Impact on completion date is being evaluated by Vertex.
