

Coliseum College Prep Academy

CCPA By the Numbers

Academic Results

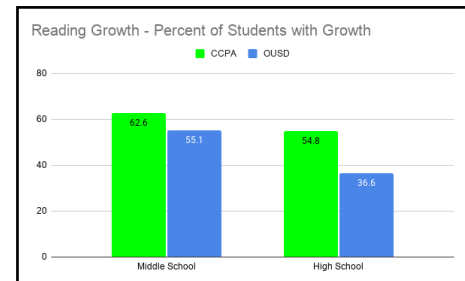

CCPA ranked #1 in OUSD in 19-20 for graduation rate, A-G graduation rate, and dropout rate. We maintain college prep standards with a robust system of academic, emotional, and social supports.

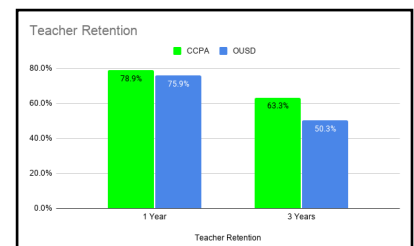

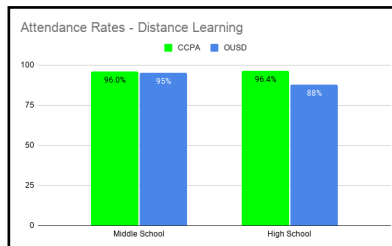

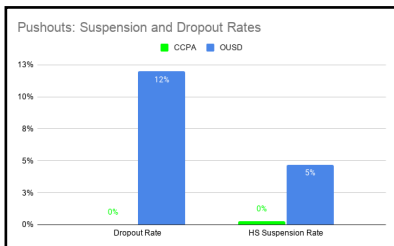

Reading Growth

With a comprehensive reading intervention program including 16 sections and 3 dedicated staff members, CCPA prioritizes reading growth for all students. We ranked #1 among OUSD high schools and #6 among OUSD middle schools for percent of students showing reading growth.

Climate

CCPA has the 2nd lowest suspension rate among OUSD high schools, due to our strong Restorative Justice program and deep relationships with families. Over 90% of students live within walking distance of the school, and we have outstanding teacher/staff retention. This contributes to a warm and familial atmosphere that led to higher than average attendance during crisis distance learning. The results are that we have a <1% dropout rate and <4% suspension rate overall.
