## Who can apply?

**Free and low cost** health coverage is meant to serve families that cannot afford traditional private insurance. These programs have income limits that differ for adults and children. Check below to see if you and your family fall under these limits.

## What about immigration status?

Anyone can apply, regardless of immigration status (all information regarding immigration status will be kept *confidential*).

**We are currently open Mondays and Wednesdays from 9 a.m. to 2 p.m.**

**Income Limits: A Guide** There are rules about how income is counted and what deductions can be made. Use this information as a *general guide only*. These limits change every April. Updated 4/1/2013.
