I BELIEVE I CAN FLY

Words & Music BY R. KELLY

Verse 1

I use to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms

Bridge

If I can see it then I can do it
If I just believe it there's nothing to it

CHORUS

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

Verse 2

See I was on the verge of breaking down
Sometimes silence can seem so loud
There are miracles in life I must achieve
But first I know it starts inside of me

Bridge

If I can see it then I can be it
If I just believe it There's nothing to it ...

CHORUS (REPEAT 3 TIMES AND END)

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

I am proud of the fact I have lived and worked with all of you and you have reinforced my belief there is hope for tomorrow because tomorrow is filled with Franklin Year-Round School Students!

Mrs. MacDonald,
Principal

As all of you leave for middle school, we trust that you will have been prepared to experience a successful future. We hope that you will always remember that in order to get respect you also have to give respect. And, to grow wiser, you must practice tolerance and patience with all people for ... We, are the world and its people.

Mr. Leonard Wong,
Assistant Principal

We gratefully acknowledge the assistance from our many parents, teachers, instructional assistants, office staff, and other persons who have helped us throughout the year at Franklin Year-Round School.
