Mrs. Pat Eimerl
Mrs. Onaida Martinez Lerma

Mrs. Sheila Sims
Mrs. Angela Yapor
Mrs. Imelda Ojeda
Ms. Alanna Lim

Brain Power

(Chorus)

Education is my brain power
Graduation is my shining hour
Education is my brain power
Graduation is my shining hour

History is a book of the past
I read and write in my English class
In math we add up to make it all clear
I get a little smarter at the end of the year

(Chorus)

In science, I learn how the grass turns green
I keep the beat in music like a rhythm machine
I wonder just how much my brain can hold
Information in and out, the answer's untold

(Chorus)

After middle school, there's senior high
Working toward the day when my tassel will fly
I've learned a whole lot more, I have the basic knowledge
Diploma in my hand now it's off to college

(Chorus)

I need power
I need power
I need power
I need power

Give me books, my brain is hungry
I need knowledge, won't you join me
Give me books, my brain is hungry
I need knowledge, won't you join me?

(Chorus)

My days at Franklin Year Round School have been enriched by the uniqueness of each and everyone of our Grade 5 students. You represent the diversity that is the real world, and your caring parents are the best of our Franklin Year Round School community. There is always hope for tomorrow because tomorrow is filled with Franklin Year Round School graduates!

Mrs. Jeanette MacDonald, Principal

As the 1999-2000 school year comes to an end, I am pleased to see all of Franklin's fifth grade students headed towards a bright future. Your successes and accomplishments here at Franklin Year Round School are an indication of the successes and accomplishments that are yet to come. With the lessons you have learned at Franklin YR, you are prepared for the challenges of middle school and beyond.

Ms. Alanna Lim, Assistant Principal

We gratefully acknowledge the assistance from our many parents, teachers, instructional assistants, office staff, and other persons who have helped us throughout the year at Franklin Year Round School.
