

"You Can Get It If You Really Want" by Jimmy Cliff

You can get it if you really want, You can get it if you really want
You can get it if you really want, But you must try, try and try
Try and try, you'll succeed at last

Persecution you must bear Win or lose you've got to get your share
Got your mind set on a dream You can get it, though harder them seem now

You can get it if you really want, You can get it if you really want
You can get it if you really want, But you must try, try and try
Try and try, you'll succeed at last I know it, listen

Rome was not built in a day, Opposition will come your way
But the hotter the battle you see, It's the sweeter the victory, now

You can get it if you really want, You can get it if you really want
You can get it if you really want, But you must try, try and try
Try and try, you'll succeed at last

You can get it if you really want, You can get it if you really want
You can get it if you really want, But you must try, try and try
Try and try, you'll succeed at last

You can get it if you really want - I know it, You can get it if you really want - though I show it
You can get it if you really want, - so don't give up now

"On My Way" by Phil Collins

Tell everybody I'm on my way, New friends and new places to see
With blue skies ahead, yes I'm on my way, And there's no where else I'd rather be

Tell everybody I'm on my way, And I'm loving every step I take
With the sun beating down, yes I'm on my way, And I can't keep this smile off my face

Cause there's nothing like, seeing each other again, No matter what the distance between
And the stories we tell, will make you smile, Or really lifts my heart

So tell'em I'm on my way, New friends and new places to see
And to sleep under the stars and could ask for more, With the moon keeping watch over me

Not the snow nor the rain, can change my mind, The sun will come out, wait and see
And the feeling of the wind, In your face can lift your heart

Oh... there's no where I'd rather be, Cause I'm on my way now
Well and true, I'm my way there, I'm on my way now(x3)

Tell everybody I'm on my way, I just can't wait to be there
With blue skies ahead, yes I'm on my way, And nothing but good times to share

So tell everybody I'm on my way, And I just can't wait to be home
With the sun beating down yes I'm on my way, And nothing but good times to show
I'm on my way, Yes, I'm on my way
