

"Rainbow Connection" by Kermit the Frog

Why are there so many, Songs about rainbows
And what's on the other side, Rainbow's are visions
They're only illusions, And rainbows have nothing to hide
So we've been told and some chose to, Believe it
But I know they're wrong wait and see

Someday we'll find it, The Rainbow Connection, The lovers, the dreamers and me

Who said that every wish, Would be heard and answered
When wished on the morning star, Somebody thought of that
And someone believed it, And look what it's done so far
What's so amazing, That keeps us star gazing
What so we think we might see

Someday we'll find it, That Rainbow Connection, The lovers the dreamers and me

Have you been half asleep, And have you heard voices
I've heard them calling my name, Are these the sweet sounds that called
The young sailors, I think they're one and the same
I've heard it too many times to ignore it, There's something that I'm supposed to be

Someday we'll find it, That Rainbow Connection, The lovers the dreamers and me

"You've Got a Friend in Me" by Randy Newman

You've got a friend in me, You've got a friend in me
When the road looks rough ahead, And you're miles and miles
From your nice warm bed, Just remember what your old pal said
Boy, you've got a friend in me, You've got a friend in me

You've got a friend in me, You've got a friend in me
You've got troubles, well I've got 'em too, There isn't anything I wouldn't do for you
We stick together and we see it through,

You've got a friend in me, You've got a friend in me
Some other folks might be, A little bit smarter than I am, Bigger and stronger too,
Maybe, But none of them will ever love you the way I do, It's me and you, And as the
years go by, Boys, our friendship will never die
You're gonna see, It's our destiny

You've got a friend in me, You've got a friend in me
