

**"You Can Get It If You Really Want" by Jimmy Cliff**

You can get it if you really want, You can get it if you really want  
You can get it if you really want, But you must try, try and try  
Try and try, you'll succeed at last

Persecution you must bear Win or lose you've got to get your share  
Got your mind set on a dream You can get it, though harder them seem now

You can get it if you really want, You can get it if you really want  
You can get it if you really want, But you must try, try and try  
Try and try, you'll succeed at last I know it, listen

Rome was not built in a day, Opposition will come your way  
But the hotter the battle you see, It's the sweeter the victory, now

You can get it if you really want, You can get it if you really want  
You can get it if you really want, But you must try, try and try  
Try and try, you'll succeed at last

You can get it if you really want, You can get it if you really want  
You can get it if you really want, But you must try, try and try  
Try and try, you'll succeed at last

You can get it if you really want - I know it, You can get it if you really want -  
though I show it  
You can get it if you really want, - so don't give up now

**"Pure Imagination"**

Come with me and you'll be in a world of pure imagination  
Take a look and you'll see into your imagination

We'll begin with a spin traveling in the world of my creation  
What we'll see will defy explanation

If you want to view paradise simply look around and view it  
Anything you want to, do it wanta change the world? There's nothing to it

There is no life I know to compare with pure imagination  
Living there you'll be free if you truly wish to be

If you want to view paradise simply look around and view it  
Anything you want to, do it wanta change the world? There's nothing to it

There is no life I know to compare with pure imagination  
Living there you'll be free if you truly wish to be
