Academic Update Q&A

Raise your hand to be called on!
Use the chat box to type in comments or questions
While we wait for people to join us, we’ll watch these awesome handwashing dance videos...
ACC Live! Session Guidelines:

Please keep yourself muted while others are talking.

Type your question in the Zoom chat box
or raise your hand to be called on
or comment/DM on All City Council’s Instagram (@AllCityCouncilOUUSD).
Goals of the Webinar

To share the impact on academics during this time

To answer questions from students generated before the meeting

To allow students to ask additional questions
Panelist Introductions

Students:
- Mica Smith-Dahl, Student Board Member
- Denilson Garibo, Student Board Member
- Dwayne Davis, Vice President
- Jessica Ramos, Health and Wellness Director
- Samantha Pal, Media Director

Staff:
- Kyla Johnson Trammell, Superintendent
- Sondra Aguilera, Chief Academic Officer
- Lucia Moritz, High School Network Superintendent
- Vinh Trinh, Manager, Master Scheduling and Comprehensive Student Supports
- Elizabeth Paniagua, Post-Secondary Readiness Coordinator, High School Linked Learning Office
Superintendent Update on Reopening Schools

New Targeted Date:
Schools Remain closed until
May 1, 2020

In collaboration with the Alameda County Office of Education (ACOE), the Alameda County Public Health Department and those in five other Bay Area counties, that the decision has been made to extend the closure for an additional month.
Student Questions

We gathered questions from students across the city and have identified 5 areas to address

1. Access to Materials
2. Impact on Grading
3. Impact on Testing
4. Impact on Graduation
5. Questions from 12th grade students about college acceptance
Access to Materials

How can students access materials from their teachers during the closures?

What do I do if I want to contact a teacher, counselor, or staff at my school?

How can OUSD, schools, and teachers help students stay on track with their learning and what teachers are assigning, while having to navigate this crisis at home? How can schools provide a flexible schedule to support students during this time given the varied situations students face?

What can I do if I need the internet at home? What can I do if I don’t have a computer at home?

Will my attendance be affected because of school closures?
Assignments: Each school has an educational plan posted on the website

Communication with teachers: Contact your school or teacher through email

Computer/Internet Access: We will be distributing devices starting on April 8. Also, Check out internetessentials.com for low rate internet and techexchange.org or call 510-866-2260 for more information on free computers

Attendance: There is no negative impact on your attendance as schools are closed.

Impact on Grading

How will students' grades be affected?

Will I receive grades for the weeks before schools closed?

Will I earn credits for the spring semester?

Every school and every teacher is assigning material and assigning grades in different ways. Is it supposed to be the same for every school and every grade level?

How will students in Credit Recovery Courses be able to make up their classes?
### How will grades be affected?

<table>
<thead>
<tr>
<th>Grades before closures</th>
<th>Grades during closures</th>
<th>Grades going forward</th>
</tr>
</thead>
<tbody>
<tr>
<td>Students will receive grades for the work that was in progress or completed prior to Friday, March 13</td>
<td>Students will not receive credit or be penalized for complete/incomplete work done during closure.</td>
<td>We are planning how to ensure students can earn credit. We are waiting on state and federal guidance around this. Ensuring students earn credit is a top priority.</td>
</tr>
</tbody>
</table>

**Credit Recovery:** We would like to support our students in continuing their work for credit recovery online with APEX. However, until we are able to ensure that there is equitable access to technology, we will suspend credit recovery courses in APEX. We are also working to get clear guidance and policy from our county and state department of education about distance learning and credit recovery online.
What about statewide tests like SBAC and ELPAC?

What about college entrance exams and AP exams I have already registered for?
Will I still take state tests and college entrance exams?

→ Statewide tests have been suspended.

→ The May SAT has been cancelled. Currently the June SATs are still planned. AP is exploring offering online AP testing.

Here is the link to the College Board website to get up to date information on SAT, ACT and AP Testing:

College Board SAT Updates
College Board AP Updates
Impact on Graduation

Will graduation be delayed?

Will there be end of the year celebrations and events like promotion and graduations ceremonies?

Will students have to attend school in the summer?

Is it true that the school year will be extended?
Will end of year events still occur and will we have summer learning?

- We hope to have end of the year events celebrations.

- We are waiting on further information from the State and County about any extensions of “shelter in place” and for a projected date for returning to school.

- At the moment, there has been no decision to extend the school year. We will continue to provide regular updates as we get new information. We are learning new information everyday.
Questions from 12th Grade Students

Will this impact my 4-year college applications?

What about my community college application?

How do I get an official transcript mailed to a school or scholarship?

Who do I contact if I have questions about my credits, college applications, or need support?
**How can I get support for my college applications?**

For more support contact the counselor at your school or counseling@ousd.org. For transcripts go to ousdca.scriborder.com, our district registrars will mail your official transcripts. For unofficial copies, email your counselor.
