A salary is determined by:
Number of professional growth units beyond the BA/BS + Number of years teaching in a school district

Employees represented by OEA are able to earn stipends and/or units through professional development (e.g. workshops, trainings, seminars, conferences, university courses, and other qualifying events).

Employees have the following choices when professional development occurs beyond contracted hours:
1. To receive a stipend
2. To receive Professional Growth Units – 2 options:
   a) OUSD Professional Growth Units (i.e. Equivalency Units) — see details below.
   b) CEUs (Continuing Education Units) through a college or university — see details below.

3. 15 hours = 1 semester unit
4. 30 unit maximum (450 hours) may be earned

Continuing Education Units (CEUs) – Option 2
1. College or university charges fees for these units.
2. Employee will receive a transcript from the college or university to confirm completion of course and units.
3. Human Resources accepts upper division and graduate units. Teachers can use these units in OUSD and transfer these units to other districts.
4. In some cases lower division units will be accepted. Contact the Executive Officer of Human Resources for pre-approval.
5. Submit transcript to the appropriate Human Resources Generalist.
