

Invitation to Families

April 6, 2020

Esperanza
Good Evening Esperanza Families,

This week, staff and I at Esperanza have been working hard to determine the best ways to support our school community. We miss all of our students and families and hope that we can be back on campus as soon as possible. In the meantime, we are offering our students a lot of on-line learning opportunities.

Providing Necessary Technology to Families

Students will need a computer at home that they can use 1-3 hours a day for online learning. I believe a staff member reached out and discussed this with you. We are excited to be able to help ensure your student has the technology they need to be successful.

Below is a schedule for families to come to school to pick up the technology they need. Please carefully read the following information to determine when you or your student should be prepared to come to school.

Please come through the parking lot to the cafeteria entrance to pick up the computer.

Last Names starting with	Date	Time
A-C	Wednesday, April 8	9:30 - 10:30
D-F	Wednesday, April 8	10:30 - 11:30
G-I	Wednesday, April 8	11:30 - 12:30
J - L	Thursday, April 9	9:30 - 10:30
M-O	Thursday, April 9	10:30 - 11:30
P-S	Thursday, April 9	11:30 - 12:30
T-U	Friday, April 10	9:30 - 10:30
V-W	Friday, April 10	10:30 - 11:30
X, Y or Z	Friday, April 10	11:30 - 12:30

We recognize that there may be families who are not able to come to the school during this time period. If this is the case, please email cristina.segura@ousd.org and we will try to make arrangements that work with your schedule. Also you may reach out to your child's teacher and they can contact me.

Medication Pickup: Families of children with health conditions who have medication stored on campus may pick-up medication during the time period listed above based on last name.

Social Distancing at Pick up

Please remember that during pickup, social distancing is important. While I know that your children may be excited to see each other, for safety reasons, we ask that you keep at least 6 feet of space between your family and others', and be sure to properly cover all sneezes or coughs. If you or a member of your family are experiencing any symptoms for any illness, such as fever or respiratory issues, please remain at home and email cristina.segura@ousd.org to make alternative arrangements. If you are over the age of 65 or have a compromised immune system, we encourage you to stay home.

During this event, the campus will be accessible only to staff members so tables will be set up in front of the school. We thank you in advance for your patience and understanding during this incredibly difficult time.

Respectfully,

Cristina Segura

Principal
