

# GIVE 10!

## Too Busy? Think Again.....

RHS asks that you give 10 volunteer hours per year – in whatever way best suits you.

## Why Get Involved?

BUILD COMMUNITY

FORGE NEW FRIENDSHIPS

MAKE OUR SCHOOL GREAT FOR ALL OUR CHILDREN

Without this awesome family community, we would not be able to provide all the enrichment opportunities both in and outside of the classroom curriculum.

Not only does volunteering allow you to be in "the know" of what is going on in your children's learning environment, but you will also make a difference in our school.

Getting involved truly makes a positive impact in our students' academic and social development. The entire community benefits from your support, especially your own children.

**\*IMPORTANT! ALL** volunteers must:

1. **Register online** with the Oakland Public Ed Fund **before** submitting TB results or fingerprints. [www.oaklandfund.org](http://www.oaklandfund.org) Click "Join us"
2. Submit a negative TB scan or Risk Screening form
3. **Field trip drivers and/or chaperones ("unsupervised" volunteers)** must be fingerprinted in addition to the above. Please pick up a "request for live scan service" form from the office before you go to the fingerprinting service of your choice.
