

NEW! Pathways to a High School Diploma for Adults (18yrs+) at Oakland Adult Career and Education (OACE).

All Classes are Free! Enroll Now!

OACE uses a blended learning model, which includes: online classes and curriculum, independent studies and/or computer lab classroom options for small group instruction. This allows for flexible hours to accommodate students' personal needs.

In addition, we also provide traditional site-based classroom instruction.

PATHWAYS:

Adult High School Diploma:

- Course Requirement of 130 credits
- Online classes through FuelEd
- Independent studies or computer lab classroom with option for small group instruction.

Concurrent Enrollment/Credit Recovery:

- Must be 18yrs+ and enrolled in local high school.
- Offers concurrent enrollment in additional classes (Online) that students will need in order to graduate from their local high school.

High School Equivalency Exams:

Can attend site-based classrooms or choose independent study by using an online curriculum to prepare for the exam.

- GED Test
- Hi-SET Exam
