- School Supplies
- Library, Music, and Art
- Eco literacy/Garden
- Foreign Language
- Kinesthetic Education (KE)
- Psychologist & Family Education
- Science & Information Technology
- Playground & School Maintenance

Additional Ways PTA Spent Money in 2013-2014

- New computers/technical support for staff
- Professional Development for staff
- Upgraded Multi -Purpose Room and Kitchen
- Replaced Drinking Fountains
- Replaced the Playground Mat

PTA Membership Dues Versus PTA Donation?

The \$5 per parent membership dues goes towards membership of the National PTA (The organization which governs the Hillcrest PTA) By paying \$5; you are able to vote on Hillcrest specific items, i.e. annual PTA budget.

The \$350 per child suggested PTA Donation goes directly to pay for Art, Music, Eco-literacy, Library, IT, KE, etc. programs that our children enjoy every day. **Note:** PTA donations are welcome in any amount and can be written throughout the school year.
