

Oakland Unified School District Early Childhood Education Tuition Option

ECE offers a tuition option for families over the 85% income guidelines. Subsidized families have priority, and tuition families will be offered a space afterwards. Preschool children must be 3 to 4 years old of the school year that they are enrolling. Tuition families will be certified for the current academic year, and they will need to reapply for each subsequent school year.

Program	Details	Age	Cost
Full Day Preschool 240 days per year, including Thanksgiving, Winter, Spring, and summer breaks.	6-8 hours a day depending on hours of operation of specific classrooms at CDC's	3 years until TK or Kinder entry	\$1,100 monthly*
