

ADDENDUM NO. 2
(Issued August 12, 2019)

Request for Qualifications and Proposals
Commissioning Services for Central Administrative Center at Cole

The following changes, additions, modifications and corrections hereinafter set forth shall apply to the bid documents for the project and shall be made a part thereof and subject to all the requirements thereof, as if originally specified and/or shown;

District Clarification #1:

A draft version of the District’s General Services Agreement (refer to as “Exhibit A” in the RFQ/P) is attached.

Question #1:

LEED Version – What LEED version will the project be subject to?

District Response #1:

The District is still considering which green building standard would be best suited for the Project. If LEED is the selected standard, LEED v4 would be the version the project would be subject to.

Question #2:

Building Enclosure Cx – Does OUSD want the proposed bidders to include installation, functional performance testing, etc. within the SOW for BECx? Title 24 calls for BECx but this scope only calls for a review of the design. Is there a preferred guide and / or requirement for BECx as the RFQ references NIBS Guideline for additional guidance? Are the bidders free to utilize a different guideline?

District Response #2:

As indicated in the RFQ/P, the District is requesting BECx limited to inclusion in the OPR and BOD plus review of the project design. The Proposal shall reference NIBS Guideline 3-2012 in the submittal as the basis for commissioning services. The Proposal may recommend different guideline(s) as an option.

Question #3:

Operations & Maintenance Plan – This is typically included under the enhanced portion of Cx but the RFQ / P states that Enhanced Cx is an optional scope. Is this to be included within the base scope if bidders are not seeking to provide pricing for the optional scope?

District Response #3:

The District is requesting scope and fee options. Therefore, the Proposal should include separate fees for fundamental commissioning and for enhanced commissioning.

Question #4:

Enhanced Commissioning – Does the district want the bidders to provide pricing for the option?

District Response #4:

See District Response #3.

Question #5:

OPR & BOD Development – Is it the intent of the district to have the commissioning agent develop the OPR and the BOD? The OPR is typically handled by the owner and / or project architect while the BOD is developed by the Engineer of Record (EOR). Please provide clarification as to who is responsible for the development of the documents. Development of these documents is not within the typical SOW for a Cx Agent but a review of the documents is.

District Response #5:

The District is requesting that the commissioning firm review the District’s current OPR and BOD documents and provide input.

Question #6:

RFQ Page Limitation – For sections 2.1 – 2.4, all bidders must adhere to the 15 page limit while section 2.5 & 2.6 have no page limitation?

District Response #6:

There are no page limitations for responses to Sections 2.5 and 2.6 but materials must be assembled together in an Appendix section.

Question #7:

Exhibit A – Please provide a copy of the exhibit as it was not included within the RFQ package nor on OUSDs website.

District Response #7:

A draft version of the District’s General Services Agreement (refer to as “Exhibit A” in the RFQ/P) is attached.

Question #8:

Hourly Billing Rate – Does the district want an actual chart or can the bidders provide this in a cost estimation sheet for the project?

District Response #8:

The District is requesting separate sheet(s) for hourly billing rates.

Question #9:

Local Business Participation Sheet – Are the bidders required to complete this form and / or include it within our bid package if we are not teaming up with a local business?

District Response #9:

LBU Participation Sheet should still be completed and included in Proposal.

Question #10:

OUSD Pool – Under what section are the bidders to identify they want to be added to the “pool” of candidates for future OUSD projects? Nothing is explicitly mentioned within the RFQ package.

District Response #10:

Section 2.3 (Executive Summary) of the RFQ/P stated that firms interested in being included in the District’s “pool” of consultants shall indicate that interest.

Question #11:

Addendums – Do the bidders have to acknowledge receiving the RFQ addendums to be able to submit a proposal to the district?

District Response #11:

Yes. Without the acknowledgement, the Proposal would be considered unresponsive.

**RECEIPT OF THIS ADDENDUM (AS WELL AS PREVIOUSLY ISSUED ADDENDA) MUST BE
ACKNOWLEDGED IN THE PROPOSAL.**

Such termination shall be effective immediately upon Contractor's receipt of the notice.

5. **Payment of Fees for Services.** District agrees to pay Contractor fees at the rate of \$ _____ per _____ for Services satisfactorily performed *[require attachment of a schedule of all applicable hourly fees, if necessary]*. 7. **Equipment and Materials.** Contractor at its sole cost and expense shall provide and furnish all tools, labor, materials, equipment, transportation services and any other items (collectively, “Equipment”) which are required or necessary to perform the Services in a manner which is consistent with generally accepted standards of the profession for similar services. Notwithstanding the foregoing, District shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any Equipment used by Contractor or the Contractor Parties, even if such Equipment is furnished, rented or loaned to Contractor or the Contractor Parties by District. Furthermore, District may reject any Equipment or workmanship that does not conform to the requirements of this Agreement and Contractor must then promptly remedy or replace it at no additional cost to District and subject to District’s reasonable satisfaction.
