Nicole Wells
nicole.wells@ousd.org

ENGAGEMENT SPECIALIST:
Ray Bermudez
ray.bermudez@ousd.org

*ABOUT MEASURE Y:
Measure Y is a local bond measure that funds the repair, renovation, and upgrading of Oakland Unified School District facilities.

PROJECT DESCRIPTION
Site modernization, specific scope in development.

CURRENT ACTIVITIES
The Facilities Planning and Management Department, along with McCllymonds administration, selected the project bridging architect, Perkins Eastman whose contract was approved by the board on October 27th. Perkins Eastman will begin to engage the McCllymonds community in coordination with Facilities to develop the initial scope of this project based on school programming needs, project stakeholder input, available budget & modern sustainable school design practices. A schedule of various meetings and information collecting efforts will be distributed to the community.
