Principal's Message

### Charter School at Brookfield?

We have received word that the Lodestar organization has decided NOT to select Brookfield's campus as a site for their new charter school opening the 2017-18 school year. The charter school has decided to select a private site instead of using our campus. Many thanks to parents, families, community for voicing your opinions and concerns about this matter.

Just a reminder that parent-teacher conferences are coming up soon on Wednesday, March 15, 2017 to Friday, March 17, 2017. Please be sure to schedule a conference with your child's teacher as soon as possible.

March conferences are an important time for you to meet with your child's teacher and have one-on-one time to listen and discuss your child's progress. Please be respectful of the timing of conferences: please arrive on time, and do not expect your teachers to meet with you for longer than your assigned session, as conferences are scheduled back to back. Thank you for your mindfulness!
